NOTE: The 6th Grade class was so large that there was insufficient space in the designated classroom. A few of the students were added to the seventh grade classroom for the sake of space. This photo is of that combined class but only the sixth graders (the Battle Ground 1962 graduating class) are identified.

If you have a copy of the other Amboy 6th grade class in 1954-1955 we would like to be able to include it as well.
